EL PASO, Texas — Special Traffic Investigations Unit investigates last night's pedestrian fatality at 1300 N. Lee Trevino. Investigators learned the pedestrian began to cross Lee Trevino at a non-designated crossing area from an eastward direction to the west side of the street. At the same time, Williams, who was driving north on Lee Trevino, could not avoid the pedestrian. The 70-year old male died at the scene from injuries he sustained from the crash. This fatality will be the 40th fatality of the year compared to 46 this same time last year. Investigation continues.
