Date and time: July 18, 2021

Location: 7240 Royal Arms

Victim: 59-year old woman

EL PASO, Texas — At approximately six pm yesterday, patrol officers from the Westside Regional Command Center responded to a death call at 7240 Royal Arms. A woman having just arrived home discovered the body of her mother being mauled by the family dogs. Crimes Against Persons detectives responded to the scene to conduct the investigation. They found dog bowls full of food, water and the dogs appeared generally well cared. The investigation is ongoing but all indications are that the two pit bull dogs killed the woman.
