EL PASO, Texas — Yesterday morning Special Traffic Investigations unit investigated a crash at the 10400 blocks of Dyer Street. Investigators learned Mr. Marenus and his passenger Anita Marenus traveled northbound on Dyer street in a 2012 Mini Cooper. As Mr. Marenus was approaching the intersection of Ameen street, he entered the left designated turning lane and proceeded to turn onto the 6100 blocks of Ameen. At the same time, Canady, who was traveling south on Dyer in a 2017 Dodge Charger, T-boned the Mini Cooper. Anita Marenus died at the scene as a result of the impact. Fire Medical Services transported Marenus to a local hospital, where he passed away from his injuries. Fire medical services also transported Canady for minor injuries to a local hospital. Failure to yield the right of way to the Dodge Charger is a contributing factor in this crash. These two fatalities count as the 38th and 39th fatalities of the year compared to 46 this same time last year.
