EL PASO, Texas — Central Patrol Officers responded to an information call at the 3500 block of Wyoming. The officers learned that two men had been robbed earlier in the morning between five and six. One of the victims had been stabbed, and the other beaten in an area close to Grandview Park. The investigation by the Officers found that one of the suspects, 22-year old, Andre Elijah Moreno was at a home on the 2900 block of Yandell. The investigation revealed that the incident was gang-related, and the Department’s Gang Unit responded to assist. Officers went to the location and found that Moreno was in the home. Moreno did not respond to the multiple commands by the officers to come out, and the El Paso Police Department’s SWAT and Crisis Management Team (C.M.T.) responded to assist. At 2:17 P.M., SWAT Officers took Moreno into custody after making a tactical entry into the home. The stabbing victim was taken to an area hospital for treatment and is listed in stable condition. Moreno is being charged with Aggravated Robbery. Currently, Gang Investigators continue working this case, and additional arrests are pending. At this time investigators believe the release of the victim’s names could hamper the investigation. Once the investigation allows the names will be made available.
