EL PASO, Texas — A burglar is caught in the act as he comes out of a garage at a West El Paso home. At 3:23 P.M., Officers from the Westside Regional Command Center responded to a home at the 4000 block of Roadside. The homeowner explained to the Officers that 24-year-old, Daniel Isaiah Hull, was caught by a contractor walking out of one of the home's detached garages and held for police. The Officers discovered that Hull had cut a chain and padlock to enter one of the garages. Hull removed the screen to one of the windows of the garage to make his way inside. Hull had taken a hammer, a hatchet, knee pads, and trash bags from the garages. The Officers also found Hull to have the tools used to break into the property in a backpack. Hull was charged with Burglary of a Building, a State Jail Felony, and had seven outstanding traffic warrants. Jail Magistrate Judge Myers issued Hull a \$10,000 bond for the Burglary Charge. He was booked in the El Paso County Detention Facility.
