**EL PASO, Texas** — A man is killed in a single-vehicle crash in El Paso's Mission Valley area. At 7:44 A.M., Officers from the Mission Valley and Pebble Hills Regional Command Center responded to a single-vehicle crash under the overpass on Yarbrough. The driver, a 60-year-old man, was taken to the hospital for treatment and died a short time later. Members of the Special Traffic Investigations Unit responded to assist in the crash investigation. Investigators learned that the driver was traveling on Gateway East and had entered the turnaround lane. For unknown reasons, the driver did not follow the turnaround and continued straight. As a result, the driver crashed into a retaining wall for the interstate. This case is still under investigation, and contributing factors to the crash have not been determined. This is the 52nd traffic death of the year as compared to 56 at this time last year.
