Westside Regional Command Coat Drive

Date/Time: Starting today until December 17th

Location: Westside Regional Command, 4801 Osborne

El Paso, Texas – The El Paso Police Department’s Westside Regional Command in collaboration with the El Paso Coalition for the Homeless is asking the community to bring safety and warmth to those in need this holiday season. The community can donate new or gently used coats, blankets and stuffed animals. The donations can be dropped off at the Westside Regional Command’s front desk or in the large collection boxes labeled with the below flier starting today until December 17th.

The flier is a collection of blue and white graphics. At the top left is the El Paso Police Department WSRC logo. To its right is a text box stating: "The El Paso Police Department working in collaboration with El Paso Coalition for the Homeless to bring safety and warmth to those in need." Next to this is the El Paso Police Department badge. Below these is a graphic of a winter coat with the text "WINTER COAT DRIVE" and a snowflake icon. To the right of the coat graphic is a text box: "For the kids donate a new or gently used stuffed animal" with three animal face emojis. At the bottom is a large blue box with the heading "Donate A Coat!" and the text: "Bring new or gently used and laundered winter coats (any age or size) or blankets to the Westside Regional Command, 4801 Osborne. Drop off at front desk before December 17th, 2021".
