History

EL PASO, Texas — The Special Traffic Investigations unit continued to look into a vehicle vs. motorcycle collision last night. The preliminary investigation revealed Morales was northbound on Tony Lama street, approaching the intersection of Hawkins Boulevard, while at the same time, Marin was southbound on Tony Lama. Morales made a left turn in front of the motorcycle when the crash occurred. Marin was transported to University Medical Center by Fire Medical services with life-threatening injuries. Marin was wearing a helmet at the time of the crash. Failure to yield the right of way on the part of Morales is a contributing factor in this crash. The investigation is ongoing.
