El Paso, Texas— The Special Traffic Investigations unit is investigating a traffic fatality that occurred last night. Based on preliminary information, Harris was driving south on Magnetic and turned left at the intersection of Volcanic. However, she did not give the right of way to Mosley, driving north on Magnetic. As a result, Mosley's motorcycle collided with the back of Harris' Kia, causing Mosley to be thrown off his bike. Mosley was wearing a helmet at the time of the accident and was taken to a nearby hospital by fire medical services, but unfortunately, he died from his injuries sustained in the crash. The collision was caused by Harris' failure to yield the right of way to Mosley, and Mosley's speed may have been a contributing factor. This fatality is the 14th traffic fatality, compared to 16 at the same time last year.
