Good Neighbor Citizenship Company Grant Awarded to El Paso Police Department Safe Communities by State Farm

The El Paso Police Department would like to thank State Farm for awarding a \$35,000 grant to the El Paso Police Department Safe Communities Program.

The grant will promote a variety of traffic safety initiatives, including:

- Alcohol and Drug-Impaired Driving Prevention
- Distracted Driving
- Speeding
- Underage Drinking
- Bicycle Safety
- Pedestrian Safety
- Occupant Protection
- Child Passenger Safety

The Safe Communities Program would only be able to achieve everything it does in the community with the generous support of corporate sponsors like State Farm. The El Paso Police Department and State Farm look forward to the continued successful partnership and collaborative efforts that aim to raise traffic safety awareness by providing the El Paso community with preventive measures designed to decrease the number of motor vehicle crashes, injuries, traffic fatalities, and other auto and road-related offenses.

We are excited and grateful to continue with this community partnership!

The El Paso Police Department Safe Communities has been awarded the State Farm Good Neighborhood Citizenship Company Grant since 2019.
