Date: 07-31-2023 **Time:** 11:43 pm
Location: 5300 Fred Wilson

Vehicle: 2012 Honda CBR Motorcycle
Driver: 23-year-old male resident of Mission Valley El Paso **(Deceased)**

El Paso, Texas— Special Traffic Investigators continue investigating last night's motorcycle crash. The initial investigation revealed that the 23-year-old was traveling east on Fred Wilson at a high rate of speed when the motorcyclist struck the left curb of the roadway. This caused the motorcycle to skid across a dirt landscape and hit a concrete pillar. The motorcycle operator was separated from his bike during the crash. The 23-year-old wore a helmet and was transported to a local hospital; however, he did not survive his injuries from the crash. This is the 47th traffic fatality this year compared to 44 this same time last year. Speed is a contributing factor in this crash.
