(Deceased)

El Paso, Texas— On Tuesday evening, the Special Traffic Investigations unit was called to assist responding officers in investigating a crash involving a pedestrian. The preliminary information suggests Mr. Hufford was northbound on Lee Trevino when 65-year-old Arnaldo Villarreal began to cross the street in a non-designated area. Mr. Hufford attempted to avoid the pedestrian but was unable to do so. Mr. Villarreal was transported to a local hospital after being hit by the vehicle. Unfortunately, he later died at the hospital. The contributing factor in this collision is a pedestrian crossing in a non-designated area. This is the 67th traffic fatality this year as compared to 62 at this same time last year.
