(DECEASED)

EL PASO, Texas— On 06-29-2025, police responded to a two-vehicle crash involving a motorcycle. The officers on the scene requested the assistance of the Special Traffic Investigations unit. The preliminary investigation revealed that the motorcyclist was traveling eastbound at a high rate of speed. Meanwhile, unit #1 was exiting a private drive at 9600 Montana and began to drive down Montana. Lucero was unable to avoid the SUV and crashed into the rear of the vehicle. Lucero was transported to a nearby hospital, but unfortunately, he did not survive his injuries.

The contributing factors in this crash may be unit 1 failing to yield the right of way and excessive speed on the part of Lucero. This is the 30th traffic fatality this year, compared to 31 this same time last year.
