Public Safety Update

The El Paso Police Department is closely monitoring recent international events and recognizes that developments abroad can cause understandable concern within our community. At this time, there are no known or credible threats to the City of El Paso.

As a precautionary measure, there are enhanced patrol operations throughout the city, with increased visibility in areas that could potentially be targeted.

We will continue to maintain open lines of communication with community leaders and partner agencies to stay informed and prepared.

We remain committed to transparency and will provide updates if necessary. The safety and security of our residents, visitors, and community partners continue to be our top priority.
