EL PASO, Texas— On April 21, 2026, the El Paso Police Department's Sex Offender Registration and Tracking (SORT) unit arrested Jesus Alfredo Cuellar, a registered lifetime sex offender, following an investigation into multiple registration violations.

The investigation began after it was discovered that Cuellar had met with a 9-year-old minor and was communicating with the child through an unregistered phone number. Further investigation by the SORT unit revealed that Cuellar failed to report several required digital identifiers, including a new phone number, social media accounts, and an email address.

Cuellar was found to be in violation of his sex offender registry duties and was booked into the El Paso County Detention Facility on the listed charges.

The El Paso Police Department maintains a zero-tolerance stance on these violations. The SORT unit reminds the community that strict enforcement will continue, and arrests will be made whenever a registered offender is found to be in violation of their court-ordered conditions.

The public is encouraged to report any possible violations. To remain anonymous, contact **Crime Stoppers of El Paso at (915) 566-8477**. You may also contact the non-emergency line at **(915) 832-4400**.
