EL PASO, Texas—The El Paso Police Department Special Traffic Investigators responded to a traffic fatality on September 4, 2026 at the intersection of Woodrow Bean and Alcan. Preliminary investigations revealed that the Chevy Impala was traveling south on Alcan approaching the intersection. The Toyota Corolla was traveling at a high rate of speed and entered the intersection on a red light and T-boned the Impala in the middle of the intersection. As result, the Corolla then rolled over. The driver of the Corolla was pronounced dead at the scene. The front passenger of the Corolla was thrown from the vehicle and taken to the hospital with serious injuries. The driver of the Impala was taken to the hospital with minor injuries. This is the 41st traffic fatality in El Paso compared to 41 at the same time last year.
