Transmountain Road Commercial Motor Vehicle Inspection Safety Operation

Location: Transmountain Road (TMR)

Operation Date: Day 1 – Wednesday, 10/21/2026

Master Case #:26-294040

EL PASO, Texas – The El Paso Police Department's Commercial Vehicle Safety Alliance (CVSA) unit is leading a multi-agency commercial motor vehicle (CMV) safety operation along Transmountain Road (TMR). The goal is to improve safety for everyone who travels the corridor.

First-Day Results (10/21/2026)

CMV Safety Inspections:11

Total Violations Found:23

Out-of-Service Violations:7

Seven of the violations were serious enough to be classified as out-of-service, meaning the problem must be fixed before the vehicle or driver can continue. There were no injuries during the first day of the operation.

Partner Agencies

- **El Paso County Sheriff's Office Traffic Section** – general traffic enforcement
- **Texas Department of Public Safety** – commercial vehicle enforcement and roving patrols, starting Thursday, 10/22/2026
- **El Paso County Constable's Office, Precinct 4** – intermittent traffic enforcement through its STEP grant

What Drivers Should Know

- Drivers will see more law enforcement along Transmountain Road while the operation continues.
- Officers will do inspections in open areas along the roadway. Sometimes a lane may be closed so officers and drivers can work safely.
- Drivers should slow down, pay attention, and **move over or slow down** when they pass officers or vehicles stopped on the shoulder, as Texas law requires.
- Commercial drivers should ensure their vehicles, equipment, and paperwork are in compliance before traveling.

EPPD will share updated totals as the operation continues.
