The City of El Paso's Museums and Cultural Affairs Department, and the Capital Improvement Department, in conjunction with the Office of City Representative Peter Svarzbein of District 1, has scheduled a community meeting to inform the public about the art component of the Bartlett Park Project.

At the meeting City staff will be on hand to provide information on the public art component of the project, as well answer any questions the public may have. In addition to the public art component, this park, which is located at 500 Bartlett Dr. in west El Paso, will also be receiving the following amenities and services: Installation of a canopy shade over the existing playground, picnic tables, benches, new landscaping and trees with their own irrigation system, a lighted hard court surface for recreational activities, as well as an expanded turf and pathway area.

This \$1 million project is funded by 2012 Quality of Life Bond Program, and is part of the City of El Paso's commitment to enhance the quality of life for business, residents and visitors alike.
