The City of El Paso’s Capital Improvement Department, in conjunction with the office of City Representative Isabel Salcido of District 5, invites the public to an open house preconstruction community meeting to learn about the construction schedule for the Edgemere Boulevard and RC Poe Road Roundabout project.

The project includes the construction of a roundabout at the intersection of Edgemere Boulevard and RC Poe Street, and will include illumination, landscaping, and a pedestrian hybrid system (HAWK system), which will allow pedestrians to cross the street more safely.

At the meeting, city employees will be available to answer any questions the public may have. This project is part of the City of El Paso’s commitment to enhance El Paso’s comprehensive regional transportation system.
