**PAUL A. PEREZ**  
*Central Citizen Advisory Board Co-Chair*

I am a life long resident of the City of El Paso, married to my wife Barbara, and we have one son and two daughters and one grand daughter. I am a graduate of the University of Texas at El Paso and currently employed by Western Refining Company. It has been my pleasure to have been a founding member of the Hispanic Chamber of Commerce and the El Paso Del Norte, Clean Cities Coalition.

## **Central Citizens Advisory Board**

### **MISSION STATEMENT:**

The Mission of the Central Regional Command Center Citizens Advisory Board is to support the community of the Central and the El Paso Police Department in protecting our region from crime and its consequences, thereby enhancing the quality of life in our neighborhoods. The Citizens Advisory Board serves as a liaison for the community and the El Paso Police by encouraging the team concept and promoting greater police – community interaction and understanding in solving the problems in the Central region.

The Citizens Advisory Board, commonly referred to as the CAB, acts in partnership with the community and the Central Regional Command Center, providing a communication link to relay the needs relative to the citizens concerns and to provide feedback to the community regarding the Regional Command Center's operations. The Citizens Advisory Board consists of twenty members from the community that are appointed by the commander. Monthly meetings are normally held at the Central Regional Command Center one night a month. The meetings are scheduled for one hour. These meetings are open to the public. The Citizens Advisory Board coordinates with other governmental agencies, community organizations and service providers to resolve the community concerns. The Citizens Advisory Board also provides information to the community as to the role and the operations of the El Paso Police Department.
